

**BOYS & GIRLS CLUBS
OF TOPEKA**

2023 IMPACT REPORT

OUR MISSION

To enable all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens.

THE NEED in Kansas

102,100

kids in Kansas who leave school with nowhere to go, risking being unsupervised, unsupported, and unsafe.

For every **ONE** child in an afterschool program in Kansas

There are **THREE** more children waiting to get in.

96%

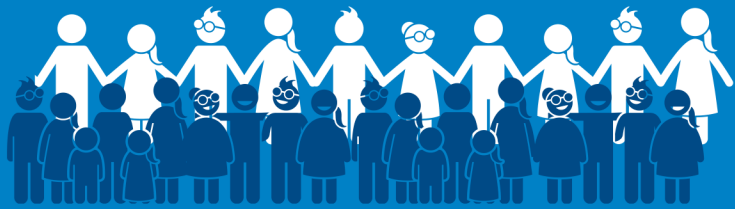

of parents and guardians are satisfied with their child's overall afterschool program experience. (an increase of 26% since 2014!)

Without the school year and summer services and programs provided by Boys + Girls Club, I don't know how we would be able to continue working and providing for our family. There is such peace of mind in knowing our kids are safe and supported when they're at Club.
